Gregory McWhirter

Irvine, CA   E-mail:gmcwhirt@uci.edu

EDUCATION	◇ **University of California, Irvine** (Irvine, CA). Ph. D. Program, Department of Logic and Philosophy of Science September 2008 - present
	◇ **University of California, Irvine** (Irvine, CA). M. A., Mathematical Behavioral Sciences Conferral December 2011
	◇ **University of Pittsburgh** (Pittsburgh, PA). B. S., Mathematics–Philosophy, minor Economics, April 2008. Summa cum laude, departmental honors.
	◇ **Scholarships and Awards** · NSF Graduate Research Fellowship Program – Honorable Mention (May 2009). · Phi Beta Kappa - University of Pittsburgh (April 2008)
RESEARCH INTERESTS	◇ Evolutionary game theory, deception, signaling systems, evolution of language, evolution of logic, evolution of social contract.
	◇ History and philosophy of mathematics, especially with regard to mathematical modelling and explanation in mathematics and the sciences, mixed vs. pure methodology, and axiom justification.
TEACHING	◇ **Teaching Assistant**, University of California, Irvine · LPS/Philos 29 Critical Reasoning, Fall 2008, Winter 2009, Fall 2009. · LPS/Philos 31 Inductive Logic, Spring 2010 · LPS/Philos/BioSci 142W Philosophy of Biology, Winter 2010, Winter 2011
	◇ **Instructor**, Center for Talented Youth, Johns Hopkins University · Game Theory and Economics, Session 1 @ RWU 2011.
	◇ **Teaching Assistant**, Center for Talented Youth, Johns Hopkins University · Mathematical Logic, Session 1 @ JHU 2009, Session 2 @ LMU 2011.
SERVICE	◇ **Philosophy of Science Association** Webmaster (November 2009-present)
	◇ **Department of Logic and Philosophy of Science** Webmaster (November 2010-June 2011)
	◇ **Pittsburgh Undergraduate Review** Staff Editor (August 2006-April 2008)
